2 Kanazawa Station

Warning Congested area

This map illustrates the Kanazawa Station area, highlighting traffic restrictions and recommended routes. The station is located at the intersection of the Hokuriku Main Line and the IR Ishikawa Railway. The map shows various streets, including Kanaiwa Road, Higashi Avenue, and the Asano River. Key locations marked include the Hirooka and Kitayasue-Kita intersections, the 50m length of road west of the station, and the Port Exit (West Exit) of Kanazawa Station. Traffic restrictions are indicated by red lines and boxes, with specific time periods for one-sided and all-lanes closures. Recommended routes for regular vehicles are shown with blue dotted arrows, and parking areas are marked with 'P' symbols. A warning box at the top right indicates a congested area from the station towards Uchinada, which is closed. A blue box at the top left states that only those going to JCHO Kanazawa Hospital may proceed. A red box at the bottom left explains that the area around the 50m length of road west of the station and between the Hirooka and Kitayasue-Kita intersections will be very congested, so please use Kanaiwa Road or Higashi Avenue. A legend at the bottom left defines the symbols for recommended routes and parking.
