

Tax-free procedure There are two types of tax-free shops: designated tax-free

shops and general tax-free shops. The total calculation of products purchased at one or more shops is possible at designated tax-free shops, where a tax refund is carried out at the counter as a lump sum.

There are two tax-free counters in the city center: the Musashi Kuromon-koji Counter and the Korinbo/ Katamachi/ Tatemachi Counter. The location where you can receive refunds depends on the shop. The shops are identified by the three markings for tax-free application counters, below.

> Shops for which purchases are refunded at the M'za counter Shops for which purchases are

refunded at the Daiwa counter General tax-free shops - refunds

provided at each shop Refunds for shops marked with 
are to be processed at the M'za counter only,

and for shops marked with
