Discover the wonders of Japanese festivals **Kanazawa "Matsuri" Night Experience**

Organizer : Kohaku inc.

An exclusive look into the world of Japanese festivals alongside seasoned local performers.

This evening's experience is all about exploring the wonders of Japanese festivals alongside the actual participants.

Making use of the beautiful machiya setting, the evening begins with a short video to fully understand and become immersed in what a traditional Japanese festival is like. Afterwards, you will then be treated to a "lion dance" by the performers as well as the music as played during the festival. A rare opportunity to see the beautiful dance up close in a private setting, something that even many locals do not get to experience.

Explore the fish market at Kanazawa Port **Kanazawa Fisherman's Wharf Night Exploration Tour**

Organizer : Reach KANAZAWA

This evening, explore one of the few ports that not only open their fish market to foreigners, but also hold an evening fish auction.

While the best time to see many fish markets elsewhere is in the early morning, Kanazawa port has a busy evening period which you can experience for yourself in all its lively glory.

Not only will you hear from those who know the details of the market well, but you will also enter one of the industrial freezers where the fish are stored and head to the fishermen's foodhall to enjoy a simple meal of the days local catch.
